

Shoreham Village Stores are kindly taking orders by phone and will deliver (Please call 01959 522018). We would encourage everyone to support our wonderful shop and make use of it as much as possible rather than going to the supermarket.

COVID 19 LOCAL SUPPORT AND INFORMATION

Message to all Shoreham residents

Hello! We hope that everyone is safe and well as we enter our second lockdown. Whilst the latest restrictions may not be quite as severe as the first time around, some of you may still need help with grocery shopping or collecting medication. Equally, you may just feel the need to chat to someone.

Opposite is an updated list of the volunteers who are available to help.

If anyone would like to join this list please contact Sarah Moon.

Sarah Moon will be your first point of contact for any area not listed above.

Sevenoak District Council continue to run their own Care for our Community Scheme and have recruited around 1500 volunteers. If you would prefer to use this scheme rather than the Shoreham one, then please contact 01732 227000.

SDC have also launched a new service called 'Telepal' which residents can call if they are feeling anxious or lonely as a result of the lockdown.

Similarly, the Citizens Advice Bureau is still operating and they can be reached if you need advice regarding debts, benefits, housing or relationships. Their telephone number is 0300 330 9001 or you can email them on advice@nwkent.cab.org.uk.

Finally, if you are experiencing severe financial hardship, there are several organisations which may be able to help including local foodbanks. Please contact the Parish Clerk on 07879 655459 or email at clerk2012@shorehamparishcouncil.gov.uk if you need details for these.
