<u>SDC Reference</u>	<u>Site Address</u>	<u>Summary Description of Application / Consultation</u>	<u>SDC deadline</u>
24/00894/LB CALT	Record Church Street Shoreham Kent TN14 7SD	To remove the modern textured layers of paint from three sides of the exterior of the property (front, side and rear) which is causing damp issues. Removal by DOFF Integra System, English Heritage Approved using just water heated to 150 degrees and applied with a low to medium pressure to gently peel away the paint. Once paint is removed, any repointing required will be carried out in a traditional breathable lime mortar (mix detailed in report) Also to remove sand and cement render from one side of the property due to chronic damp ingress. After removal of the render, it is to be determined whether the brickwork is saveable and to be repointed in a breathable traditional lime mortar (mix detailed in report) or whether to re-render using a breathable lime render.	16/05/2024
Members resolved to support the application.			

5. To note the Planning Log
Noted.

6. Date of next meeting: **Wednesday 15 May 2024 (if required)**
